# BURGMAN STREET 125EX FEATURES

## COMFORTABLE, STABLE AND HIGHLY MANOEUVRABLE

Designed to be comfortable to ride and provide stable handling while still being highly manoeuvrable. Seat height and floorboard space are designed to suit a wide range of riders and ensure riding comfort, even on longer rides. Straight-line and cornering stability are excellent, with high ground clearance that enables riders to lean into their turns. The Burgman proves its ability to excel in any urban riding situation.

## ADVANCED RIDER TECHNOLOGY

The Burgman Street 125EX is equipped with Suzuki advanced technologies, including Suzuki easy start to improve and optimise its daily use.

## USB outlet as standard?

In the covered front left compartment there is a USB outlet for charging smartphones. An attractive blue LED remains lit as long as the ignition is turned on, making the outlet easy to locate, especially at night or in dark conditions.?

## Theft deterrent key system

The shutter concealing the ignition keyhole can be opened quickly, using an easy-to-operate magnet mechanism coded to the owner's key, and it closes with a simple push of a button. Not only does this system help deter theft and tampering, it also includes a seat opener that eliminates the need to remove the key to access the underseat utility compartment.
